

APPENDIX B – PR HARRIS: REQUIRED SITE USE

Any proposed reuse of the PR Harris site must address the space needs for these District agency partners. Respondents are encouraged meet with each agency partner to discuss their space needs in conjunction with the Respondent's offer. The space requirements for each of these entities and points of contact can be found herein. The PR Harris site currently serves as a location of the University of the District of Columbia Community College (UDC-CC), the training center for Fire Emergency Medical Services (FEMS), and office location of the Advisory Neighborhood Commission (ANC) 8.
